	Afraig Valmont is just a guy trying to make his way in the world. When he takes a job from a local crime boss, he becomes entwined in a hidden world he never knew existed. It's a race against time to stop a monstrous Vampire and his minions from destroying the city and it seems only Afraig can put the puzzle together. If only he can stay alive long enough to make it happen. Join the cast of Valmont: The Black Raven Chronicles for a table read of one of their podcasts.	TTRPG campaign setting The Kingdom of Keshanar is a fantasy world inspired by an ancient Egypt that could have been...if the magic, the monsters, and the gods were actually real. The Kingdom of Keshanar is the dominant kingdom in the world of Orthane, and the City of Keshanar is its capital. The City of Keshanar is where much of the game-play takes place in our setting. While it reflects ancient Egypt and is populated with characters, monsters, gods and magic that are drawn from that culture.		Delilah Dawson,Kevin A Davis, Meri Elena, Barbara V.
